I. Revised TORs

Chairperson Delihna met with HR Director last week and was told the TOR was passed over HR and was pending at President’s office for approval.

II. Chair expressed the urgency on the proposed budget breakdown on the Staff Development budgets. The need to breakdown the budget is urgent because applications are pending and they still have to go through a process for the final decision. National, Kosrae and Pohnpei Campuses are still in the process of breaking down their budgets. As of this meeting nothing was received from the other campuses but they will be informed. HR committee then set the deadline to submit all the budget breakdown by next week Thursday, January 19, 2012.

III. Staff Development Day:

Staff Development Day is scheduled for April 3, 2012. The committee had decided to do something different this year like---team building; health related/CPR; traditional skills; and cooking demonstrations. The chair will e-mail out to the college community for ideas and on the venues if the two campuses (national and Pohnpei) will combine. The deadline to receive comments is January 19th for early planning purposes.

IV. Miscellaneous

Pohnpei Campus expressed concern on a respective applicant which request had been approved by previous SD committee to take care of her textbooks expenses while attending COMFSM. The committee suggested documentation and also suggested that since this a new fiscal year and a new HR committee membership, the applicant in question can re-apply.

Faculty members of HR committee should start sending their class schedules to Mark Kostka (vice President)of HR committee so changes can be made to meeting time and day.

V. Meeting adjourned at 4:05p.m.
