Human Recourses Committee

October 13, 2014

To: Director of Human Resource
From: Chairperson, HRC
Subject: HRC Development Plan Priority #1 and #2

During our HRC meeting on Thursday, Oct. 09, 2014, updated information was shared on the Faculty Performance Evaluation Tool which falls under the HRC development plan, priority #2, Section XIII Performance Evaluation and all evaluation tools. As learned, this evaluation tool and/or sample(s) from GCC, as you stated was submitted from the consultant, has not been received by VPIA or Chair of the CAC, or at least to their knowledge.

As recommended by the HRC, the sample(s) from GCC, be provided to the CAC so that the HRC can continue to do its part to accomplish HRC's priorities that this committee are tasked to do in continuance of the "Final Policy Review Process".

The HRC also needs guidance with priority #1 and (#2 as it states all evaluation tools).

Thank you very much.

Marylene Bisalen
