**Discussion of Agenda/Information Sharing:**

Chairperson Marylene Bisalen called the meeting to order at 3:10 pm. She welcomed everyone back and further announced that Kathy Benjamin has withdrawn from HRC to join another committee. Before each meeting, chair suggested that HRC members should introduce them starting with the off-island members in order to have accurate attendance.

Adoption of Minutes:

There were not enough quorums so it was decided to table the approval of the December 04, 2014 minutes for online adoption.

HRC Assessment:

The floor is turned to Vice Chair Ross to briefly explain the self-assessment.

Vice Chair briefly touched based on the general highlights received from HRC members on key areas to improve for effectiveness.

- Communication issues in the past
- Last HRC in the previous years were unproductive
- No bridge communication between HRO & HRC
- Documents should be sent out on a timely manner
- Make sure HRC chair recognize voice raised by state campuses

He further suggested that HRC need to work on Q. #6 (The ex-officio member provides direction and guidance for HR committee) but all in all, HRC is doing a pretty good job.

Chair thanked Ross for taking time to do the assessment, as she never recalls any HRC member doing an assessment on this committee.

V. Chair recommended HRC to endorse the assessment before it could be shared with EC for their info.

Norma suggested if HRC could address this assessment to others to incorporate their inputs to the report.

When a document from any office is to be discussed in the meeting, Ali suggested that a representative from that office be present to briefly explain that document.

All the members present voted “yes” to the December 4<sup>th</sup> minutes and endorsed the self-assessment. Ross suggested the absent members to send their votes online.

Miscellaneous:

Alfred shared with HRC that Director of Maintenance is sending a memo to appropriate officials in regards to a huge drop in salary for most of his staff who are converted from special contract to regular positions.

V. Chair suggested removing John Haglelgam from the committee as he never informed nor attended one of the meetings.

Meeting was adjourned at 3:35pm.
