LA068. Please list the top three ways this institution helped you in your transition to college. (N=85)

#### Answer

Develop my skills in math. Develop my skills in writing. Develop my skills in practical in electricity...

Help me to register, explain how cheap and good for me to attend this college, and lastly they help me fix my FAFSA application.

good approach, friendly faculty, and helpful staffs

They came to the high school I was at and they had project presentations. They put out information on air. They talk to you personally and professionally when you go to their office.

- it helps motivate my attention to other college - it helps improve my knowledge by individual explanation - made me wanna transfer to other colleges

1. Helped pick classes 2. helped with FAFSA 3. Orientation

Increasing the majors (by having more courses available in states colleges) and sorting other classes, or combined some classes that those not need to be separated. Using (E.E.T) Electronic Engineering Technology VEE100 and

### + Branching

LA069. Please list the top three ways this institution could have improved your transition to college. (N=74)

#### Answer

-Help student choose their class or major depending on what the student want. -Explain more about the major the student wants to take, and what classes they afford it here. -Tell the student how much each class cost and the textbook.

talked nicely, give more information, and someone to help you every step of the way

More interaction with high school students outside the scheduled presentations in classroom. Put out posters of how the campus really is; some students are shy in asking.

- raise the pell grant - should own a gym - should held outfield works for voc. ed class

1. Better environment 2. Better class schedules (Classrooms are not numbered well) 3. Classes are being cancelled

faster registration, more class materials, and more out of class learning

sorry i can't really list them cause this college helped me and i feel like i belong with them.

- Help finish the Financial Aid Faster -Show the courses available and are appropriate to my maior. -Send applications

Q070. Academic Advising - Overall, to what degree are you satisfied with academic advising at this college?

	N	% of Total
(1) Not at all	6	1.9%
