

IT Office

C - IEQA - Information Technology

Mission Statement: The COM-FSM Office of Information Technology provides technology systems management and administration, technology design and selection, and technology strategic planning services for COM-FSM.

<i>Administrative Unit Outcomes</i>	<i>Assessment Strategies</i>	<i>Results</i>	<i>Improvements</i>
<p>AUO 1_2015-2016 - Foster Effective Communication - Provisions for IT Core Services</p> <p>AUO Status: Active AUO Assessment Cycle: 2015 - 2016 Start Date: 10/01/2015 Inactive Date: 09/30/2016</p>	<p>IT will replace atleast 1 core server (may include switch Hardware / Software)</p> <p>Target: Replace atleast one core server unit, system uptime of 90% will be maintained as reported in quarterly reports</p>	<p>Reporting Period: 2015 - 2016 Target Met: Yes 1 of three primary AT switches upgraded to HP GB smart switch POE and VPN programmable in main Server room national. (07/22/2016)</p>	<p>Improvement: Gigabit speeds to buildings over Fiber and adjustable power over Ethernet to controlled devices over VPN setup. Capabilities improve. (09/27/2016)</p>
<p>Develop Strategies to Maintain Services</p> <p>Target: IT will practice Server Management based on industry best standards and institutional needs, reported in quarterly reports.</p>		<p>Reporting Period: 2015 - 2016 Target Met: Yes Server management practices are met via daily monitoring via Root level system generated reports in support of institutional needs. (09/27/2016)</p>	
<p>Develop Strategies to Maintain System uptime</p> <p>Target: IT supported systems will achieve atleast 90% uptime as reported in quarterly reports</p>		<p>Reporting Period: 2015 - 2016 Target Met: Yes atleast 90% system uptime achieved as demonstrated in daily system generated root reports. (09/27/2016)</p>	
<p>IT will Monitor backups to ensure availability and accuracy.</p>		<p>Reporting Period: 2015 - 2016 Target Met: Yes</p>	

Administrative Unit Outcomes	Assessment Strategies	Results	Improvements
	<p>Target: at least 90% of daily backups will be successful as reported in quarterly reports</p> <p>Coordinate improvements (programming) in Students Information System (SIS) to respond to requests from IRPO to improve tracking and reporting on student success and progression for program completers by semester and data for tracking students; OAR for improvement to online registration; and changes in report formatting for Business Office.</p> <p>Target: 3 modifications to SIS programming to meet specific requirements of improvement requests to SIS for improving tracking and reporting on student success.</p>	<p>at least 90% of backups successful, as reported by system generated daily root reports. (09/27/2016)</p> <p>Reporting Period: 2015 - 2016 Target Met: Yes Reporting needs met for specified improvements, further tracking needs beyond those specified are in progress. (09/27/2016)</p>	
<p>AUO 2_2015-2016 - Foster Effective Communication - Provisions for IT Support Services</p> <p>AUO Status: Active AUO Assessment Cycle: 2015 - 2016 Start Date: 10/01/2015 Inactive Date: 09/30/2016</p>	<p>IT will continue to conduct technology enhancement to improve technology services offered such as the SIS</p> <p>Target: IRPO surveys will show a 90% agreement that IT services are adequate for user needs.</p>	<p>Reporting Period: 2015 - 2016 Target Met: Yes Technology enhancements to date are successful, continues enhancement in progress. (09/27/2016)</p>	
	<p>Trainings</p> <p>Target: Training sessions and successful delivery of outcomes will</p>	<p>Reporting Period: 2015 - 2016 Target Met: Yes SIS training, systems training to IT staff and specific software usage training to staff of various offices were</p>	

Administrative Unit Outcomes	Assessment Strategies	Results	Improvements
	<p>be evaluated by participants through surveys. 90% of participants will agree with outcomes met.</p> <p>Website services</p> <p>Target: IRPO surveys will show a 90% agreement that IT services are adequate for user needs.</p>	<p>conducted and participants surveyed. (09/27/2016)</p> <p>Reporting Period: 2015 - 2016 Target Met: Yes</p> <p>adequate based on research surveys (09/27/2016)</p>	
	<p>Official Publications will be concise, informative, timely and accurate</p> <p>Target: IRPO surveys will show a 90% agreement that IT services are adequate for user needs.</p>	<p>Reporting Period: 2015 - 2016 Target Met: No</p> <p>IT specific surveys not administered in reporting period. (09/27/2016)</p>	<p>Improvement: IT will work with IRPO for IT specific satisfaction surveys meeting user needs based on random sampling of relevant users. (09/28/2016)</p>
	<p>Helpdesk service times will be timely, and helpful.</p> <p>Target: IRPO surveys will show a 90% agreement that IT services are adequate for user needs.</p>	<p>Reporting Period: 2015 - 2016 Target Met: No</p> <p>Surveys not administered in reporting period. (09/27/2016)</p>	<p>Improvement: IT will work with IRPO for IT specific satisfaction surveys for Help desk services based on random sampling of relevant users. (09/28/2016)</p>
<p>AUO 1_2016-2017 - Foster Effective Communication - Provisions for IT Core Services</p> <p>AUO Status: Active AUO Assessment Cycle: 2016 - 2017 Start Date: 10/01/2015</p>	<p>IT will replace atleast 1 core server (may include switch Hardware / Software)</p> <p>Target: Replace atleast one core server unit, system uptime of 90% will be maintained as reported in quarterly reports</p>	<p>Reporting Period: 2016 - 2017 Target Met: Yes</p> <p>Main Switch replaced at National campus, unit is enterprise level and able to support improved communications and services (03/29/2017)</p>	<p>Improvement: Improved reliability, security and speed (09/28/2017)</p>
	<p>Develop Strategies to Maintain Services</p> <p>Target: IT will practice Server</p>	<p>Reporting Period: 2016 - 2017 Target Met: Yes</p> <p>Server Management reports to date are good (03/29/2017)</p>	

<i>Administrative Unit Outcomes</i>	<i>Assessment Strategies</i>	<i>Results</i>	<i>Improvements</i>
	<p>Management based on industry best standards and institutional needs, reported in quarterly reports.</p> <p>Develop Strategies to Maintain System uptime</p> <p>Target: IT supported systems will achieve atleast 90% uptime as reported in quarterly reports</p>	<p>Reporting Period: 2016 - 2017</p> <p>Target Met: Yes</p> <p>90% up-time achieved (09/28/2017)</p>	
	<p>IT will Monitor backups to ensure availability and accuracy.</p> <p>Target: atleast 90% of daily backups will be successful as reported in quarterly reports</p>	<p>Reporting Period: 2016 - 2017</p> <p>Target Met: Yes</p> <p>Backups to date have exceeded 90% for nightly backups (03/29/2017)</p>	
	<p>Maintenance and expansion of systems to accommodate and support mission critical technology functions; Internet lease line cost, central networks, pbx phone systems, central servers, databases, systems software/security, web services. Build Information Systems that dynamically manage website content: Campus-managed alerts and news items, for display in Campus-specific alerts or other priority communications. Improve network systems, provide for Instructional Support and User support in general.</p> <p>Target: enhancements to SIS including pre-admission module, financial aid transcript, linking external Learning Management</p>	<p>Reporting Period: 2016 - 2017</p> <p>Target Met: Yes</p> <p>Maintained and expanded systems to accommodate and support mission critical technology functions (09/28/2017)</p>	

<i>Administrative Unit Outcomes</i>	<i>Assessment Strategies</i>	<i>Results</i>	<i>Improvements</i>

Software to SIS for tracking and reporting SLO information. Take steps to attract qualified programmers considering limitations of salary offered (very low for skill sets needed).

AUO 2_2016-2017 - Foster Effective Communication - Provisions for IT Support Services

AUO Status: Active

AUO Assessment Cycle: 2016 - 2017

Start Date: 10/01/2015

IT will continue to conduct technology enhancement to improve technology services offered such as the SIS

Target: OIE surveys will show a 90% agreement that IT services are adequate for user needs.

Reporting Period: 2016 - 2017

Target Met: Yes

SIS programming for updates to existing modules and adding new capabilities for admissions process in progress (03/29/2017)

Trainings

Target: Training sessions and successful delivery of outcomes will be evaluated by participants through surveys. 90% of participants will agree with outcomes met.

Website services

Target: OIE surveys will show a 90% agreement that IT services are adequate for user needs.

Official Publications will be concise, informative, timely and accurate

Target: OIE surveys will show a 90% agreement that IT services are adequate for user needs.

Helpdesk service times will be

Administrative Unit Outcomes	Assessment Strategies	Results	Improvements
------------------------------	-----------------------	---------	--------------

timely, and helpful.

Target: OIE surveys will show a 90% agreement that IT services are adequate for user needs.

AUO 1_2017-2018 - Foster Effective Communication_1 - Provisions for IT Core Services

AUO Status: Active
AUO Assessment Cycle: 2017 - 2018
Start Date: 10/02/2017
Inactive Date: 09/28/2018

Descriptive Statistics - IT will replace atleast 1 core server (may include switch Hardware / Software)

Target: Replace atleast one core server unit, system uptime of 90% will be maintained as reported in quarterly reports

Develop Strategies to Maintain Services

Target: IT will practice Server Management based on industry best standards and institutional needs, reported in quarterly reports.

Develop Strategies to Maintain System uptime

Target: IT supported systems will achieve atleast 90% uptime as reported in quarterly reports

IT will Monitor backups to ensure availability and accuracy.

Target: atleast 90% of daily backups will be successful as reported in quarterly reports

Maintenance and expansion of
