### **Institutional Mission/Strategic Goal:**

**Mission:** Historically diverse, uniquely Micronesian and globally connected, the College of Micronesia-FSM is a continuously improving and student centered institute of higher education. The college is committed to assisting in the development of the Federated States of Micronesia by providing academic, career and technical educational opportunities for student learning.

### **Strategic Goal (which strategic goal(s) most support the services being provided):**

SPG 1. Promote learning and teaching for knowledge, skills, creativity, intellect, and the abilities to seek and analyze information and to communicate effectively.

- a. **Promote quality teaching and learning-centered behaviors and environments for the six campuses.**
- b. **Make developmental courses and institutional priority**
- c. **Enhance faculty involvement in the college**

SPG 2. Provide institutional support to foster student success and satisfaction.

- a. Promote strategic enrollment management for the College of Micronesia-FSM
- b. **Become more student-centered in the development of specific college system policies and procedures**
- c. **Promote timely college tenure and graduation of students with master of array of core learning objectives, including civic-mindedness and self-value**
- d. Develop a student-friendly campus environment that encourages and enables students to be health conscious

SPG 7. Build a partnering and service network for community, workforce and economic development.

- a. Increase involvement of the community in college affairs
- b. Enhance and promote employment opportunities
- c. **Develop new and enhance existing programs to meet the changing educational and workforce needs of our communities**
- d. Provide cooperative Extension Services to the community

### **Administrative Unit/Program Mission Statement**

The office of the Director of Academic Programs assists in the development, planning, and implementing of academic programs and serves as the advisor to the VPIA regarding academic faculty and activities.

The office is responsible for:

- Planning, developing, and administering academic programs and policies to provide educational opportunities for students
- Facilitating the collection of student learning outcome data to evaluate the effectiveness and relevance of programs, instruction and support services
- Directing and coordinating activities of Instructional Coordinators and Chairpersons of academic divisions at the National Campus

- Evaluating the performance of each division chairperson at the national campus and facilitating the evaluation of each member of the instructional staff by the division chairperson
- Acting as chair of the Curriculum Committee
- Preparing the academic calendar in cooperation with the Division chairpersons and instructional coordinators
- Determining the scheduling of courses and preparing the semester schedule in cooperation with the division chairpersons
- Conducting meetings of division chairpersons
- Coordinating activities of academic student advisors
- Coordinating activities of his/her office with interrelated activities of other offices
- Interviewing directly, or through supervisory personnel, and recommending applicants for vacancies within the academic divisions
- Preparing, with the assistance of the division chairpersons, office operation budget drafts, and submitting estimates for compilation of the overall department budget
- Preparing required reports and ensuring division chairpersons to prepare their reports in a timely manner

**Administrative Unit/Program Objectives:**

**Objective 1:** DAP will facilitate improvement in monitoring and collection of program assessment and evaluation for all instructional programs across all campuses.

**Objective 2:** DAP will coordinate improvement of the developmental education program at all campuses.

**Objective 3:** DAP will facilitate the development of a coordinated distance learning program.
