Institutional Mission/Strategic Goal:

Mission: Historically diverse, uniquely Micronesian and globally connected, the College of Micronesia-FSM is a continuously improving and student centered institute of higher education. The college is committed to assisting in the development of the Federated States of Micronesia by providing academic, career and technical educational opportunities for student learning.

Strategic Goal (*which strategic goal(s) most support the services being provided*):

- 1) Promote learning and teaching for knowledge, skills creativity, intellect and the abilities to seek and analyze information and to communicate effectively; and
- 2) Build a partnering and services network for community, workforce and economic development.

Academic Program Mission Statement: The COM-FSM Pohnpei Campus Carpentry program prepares students for successful employment in the work force and continuous learning by fully developing every student's career and academic potential.

Academic Program Outcomes:

- 1) Identify safety and occupational health requirements in the Carpentry trade.
- 2) Use competently specified hand and power tools.
- 3) Perform basic hand skills in constructing projects to a given specifications.
- 4) Interpret construction information from blueprint drawings.
- 5) Participate in the construction industry.
