8. General comments:
 1. It's okay.
 2. Useful presentation so we all understand and are on the same page about what's expected; how we do our assessments.
 3. I got confuse with FY staffs. Food for managers.
 4. Room too bright for PowerPoint presentation. Couldn't see well the slide presentations.
 5. He spoke loud and clear. He pauses after discussing each item for questions...I liked it.
 6. This is an excellent presentation esp. for us that need to do assessment report.
 7. Very well prepared and right to the point.
 8. provide systems, sometimes we can not hear the presenter clearly and the participants' questions and comments.
 9. Presentation was clear and easy to understand.
 10. Very good session but should provide handouts, especially for those of us who don't work with assessment.
 11. We need more time for mastery purposes
 12. The session was great. I just having problem because I am not familiar.

13. Very interesting subject and I'm sure it useful for all departments and the college.
14. No comments, excellent presenter.
